Company

Introduction

The A.A. Construction Company was established in 1993 and is a general contractor offering construction services in terms of proper execution of construction work as per instruction of Consultant/ Architects and as per requirement of our honorable Clients. Etc.

We, Alhamdulillah made various industrial Projects like, (Textile Mills, Sugar Mills, Solvent Plant, & Refinery Rice Mills, Feed Mills and Fish Meal Plant Yutong Master Bus Body Plant complete, Master Molty foam Plant, Procon Engineering (Pvt) Ltd , Shakoor and Company Total & PSO Terminal & Office Building MDF Plant & complete infrastructure road footpath drain system in it etc.)

Enormous Beautiful Mosque Building Projects in Karachi IJtimah Gah 5.5 lac sft (waffle Structure)

We are fully equipped with Tools, Plants, Instruments, all other machinery. We have well experienced, skilled Team & Labor their united efforts boost our capability to complete our projects timely. Our objective is to achieve complete satisfaction of our honorable clients.

Mission

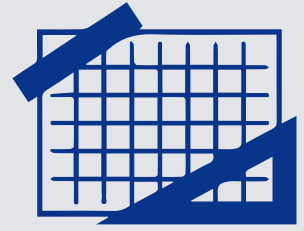

A yellow tracked bulldozer is positioned in the foreground, partially obscured by a semi-transparent white box containing text. The bulldozer is facing right and appears to be working on a dirt or gravel surface. In the background, there is a large, reddish-brown earthen embankment or hillside under a clear sky. The overall scene is a construction or mining site.

Dedication to providing quality construction, technical and management services to our customers. We will strive to implement a long term relationship with our clients, based on safety, quality, timely service and an anticipation of their needs. To help fulfill this mission, we will treat all employees fairly and involve them in the quality improvement process.
